TRAFFIC ADVISORY

SAM RAYBURN TOLLWAY/DALLAS NORTH TOLLWAY INTERCHANGE:

Northeast-bound and southwest-bound Sam Rayburn Tollway main lanes closures scheduled at the Dallas North Tollway starting Friday night through early Monday morning

The ongoing placement of steel bridge beams on the SRT/DNT interchange will require the following SRT main lanes closures from 9 p.m. Friday, April 15, through 5 a.m. Monday, April 18... [view map](#).

- **Two of three northeast-bound SRT main lanes will be closed from Legacy Drive to Parkwood Boulevard. All three northeast-bound SRT main lanes will be closed from Parkwood Boulevard to just west of Preston Road.**
- **The southwest-bound SRT main lanes will be closed from Parkwood Boulevard to Legacy Drive, and the southwest-bound SRT entrance ramp from Parkwood Boulevard will be closed.**

Delays are expected, and motorists are urged to avoid the closure area by using streets adjacent to the SRT/DNT interchange as alternate routes.

Detour routes:

- Motorists traveling northeast on the SRT will be tapered into one through lane before having to exit to Parkwood Boulevard. Drivers have two options: They may use the SRT frontage road to avoid the closure area, or they may travel in the open right lane of the toll road to Parkwood Boulevard. Motorists wishing to re-enter the northeast-bound SRT main lanes may do so at the ramp just west of Preston Road.
- Motorists headed southwest on the SRT will be routed to the frontage road at the Parkwood Boulevard exit. Those wishing to re-enter the SRT main lanes may do so at the ramp east of Legacy Drive.
- Motorists wishing to access northbound or southbound DNT will take the SRT frontage road to either the northbound or southbound DNT frontage road (Dallas Parkway) and access the main lanes from the entrance ramps.

The contractor has placed electronic message boards and detour route signs to inform motorists and guide them through the closures.

All closures are subject to weather conditions and will be rescheduled if necessary.

For more information about upcoming lane closures and traffic-related news along NTTA roadways, go to the "Lane/Ramp Closures" listing at www.ntta.org or call (214) 224-3030.
